

1 DIVERSITY

1.2 ETHNIC DIVERSITY POLICY

Green Living Projects has a responsibility to create and maintain a workplace that is free of discrimination. Valuing diversity is recognizing and respecting human differences and similarities. Green Living Projects is committed to maintaining the ethnic and racial diversity within our organization. We support the hiring, retaining and promoting of ethnically and racially diverse employees. We believe that diversity in employment provides for a broad range of benefits, including the opportunity for creativity in thought and execution of tasks in the workplace. Diversity also contributes to a better understanding of the environment in which we offer our services. We make employment decisions based upon individual merit, qualifications, and competence.
