SAFETY

It is the policy of YGH to follow laws, rules, and regulations concerning safe practices as published by federal, state and city agencies. Common sense and caution should be used always, regardless of project deadlines, appointments, or any other need. All work-related injuries and illnesses, regardless of their extent or nature, unsafe working conditions, and the need for maintenance or repair of equipment must be immediately reported to Human Resources.

Each employee has access to natural light and ventilation.

YGH has incurred no OSHA infractions since the founding of the firm.

Sincerely,

Thomas R. Robbins, Principal
