

Worker Happiness—

MITHUN

Mithun is committed to creating, maintaining and supporting a positive work environment that is conducive to and fosters worker happiness and job satisfaction. We seek to support staff members and their families by striving to create an appropriate work-life balance.

We will assess our efforts toward worker happiness with an annual, anonymous worker happiness survey. The results, and correlating level of worker happiness, are taken seriously by firm leadership. The findings will be provided to all staff, and we will strive to address any shortcomings suggested in the survey.
