

Animal Welfare

JA is committed to animal welfare, safety and happiness. Our office is home to a number of animals and we can't imagine an office that didn't offer the company of our furry friends. We do not support the production, or sales of goods or services that are antithetical to the well being of animals. As an architecture firm we do not utilize or sell animal products.

We support many causes that seek to increase the wellbeing of animals through donations, volunteering, and fundraising.
