

EMPLOYEE HEALTH CARE POLICY

Mission Green Buildings Benefits

Mission Green Buildings provides an allowance of \$2,400 annually per employee for medical, dental, and other health related professional services. Employees may use this allowance towards purchasing 3rd party medical insurance premiums e.g. Alberta Blue Cross etc.

Canada Pension Plan

Mission Green Buildings deducts Canada Pension Plan contributions from wages earned as required by Federal Law. The program protects employees financially when they reach retirement age and provides income for various categories of employed and dependent persons.

Employment Insurance

The Employment Insurance contribution is mandatory to protect an employee's income should he/she be unable to work. Deductions are based on insurable earnings.
