

***Policy And Statement***

**Transparency**

BuroHappold Engineering is committed to being ethically transparent in various aspects of our operation. We support a voluntary, disclosure policy and provide ongoing open access and communication on our internal and external audiences on important organizational information. This information includes BuroHappold Engineering's purpose, goals, governance structure, involvement in environmental causes and non-financial information on its actions, products, services, supply chains, ownership, management, investors, shareholders, partners and affiliates.

BuroHappold Engineering will comply with all legislated reporting requirements.
