

Local Sourcing

LWA is committed to the support of local businesses through local and regional sourcing. We strive to ensure a sustainable supply of local goods and services that result in strengthened self-sustaining local communities. Most of the office supplies, modeling materials, and kitchen supplies are purchased from Boston-based companies. We also use local services for recycling, IT support, courier and catering options.

- **Office supplies:** WB Mason (locally owned and operated)
- **Modeling Materials:** Blick Art Store
- **Kitchen Supplies:** WB Mason (locally owned and operated)
- **Happy Hours:** Whole Foods, locally owned convenience stores
- **Recycling Services:** Earthworm Recycling (locally owned and operated)
- **IT Services:** Bay State IT (locally owned and operated)
- **Catering Services:** We support many locally owned and operated restaurants and caterers for our lunch needs
- **Courier Services:** Breadrunner Courier (locally owned and operated)
