

### **Animal Welfare**

Humanscale is dedicated to support animal welfare and have demonstrated that commitment in the financial and personal contributions made to animal organizations, in particular the WWF. We will not be involved in the production, promotion or sale of goods and services that are harmful to the well-being of animals and will make efforts to support the ethical, merciful, non-abusive and non-harmful treatment of animals and to the prevention of any distress and pain, so animals enjoy a dignified and humane quality of life.
