

### **Animal Welfare Statement of Assurance**

Energy Opportunities confirms that: 1. It neither conducts nor is a party to any animal testing or experimentation; 2. It does not conduct business with factory farms; 3. It does not conduct business with enterprises that use gestation crating or similar types of overtly restrictive confines; 4. It does not conduct business with slaughterhouses that are not USDA-Certified; and 5. It does not utilize or sell animal products (e.g. meat, dairy, eggs, furs, and leather). We pledge not to become involved with any of these activities in the future.
