

HAZARDOUS MATERIALS

As an EcoAmmo team member, your safety is the utmost importance. To safeguard your health and safety, you will never be put into the position of handling or exposure hazardous chemicals in your day to day work. If you are ever on a job site and feel your safety is threatened, EcoAmmo supports your decision to leave immediately. If we encounter hazardous materials or chemicals in the course of our work at other locations, we will take immediate corrective action to eliminate health and safety risk.
