

## *Diversity*

In principle and in practice, AIA Seattle values and seeks diverse and inclusive participation within the field of architecture. AIA Seattle promotes involvement and access to leadership opportunity to all members regardless of race, ethnicity, gender, religion, age, sexual orientation, nationality, or disability. AIA Seattle will continue to provide leadership and commit time and resources to advance this objective. AIA Seattle will develop strategies and initiatives to promote and welcome diversity within the board, staff, and membership of association and provide tools for its members' organizations regarding diversity.<sup>1</sup>
