

WORKER BENEFIT

WORKER HAPPINESS

2018 Survey Results (100% employee participation):

“Considering all aspects of your job, how satisfied are you with your organization?”

Holst Rating: 8.57

“How likely is it that you would recommend your organization as a good place to work?”

Holst Rating: 9.05

At Holst we feel that the happiness of our employees is the key to creating the very best quality of work. We value work-life balance and strive to provide a supportive environment in which our employees can grow, develop as professionals, and pursue their passions. We are committed to self-evaluation and will administer this survey annually as a way to check in and reflect on our current office culture.
