

Animal Welfare Policy

Plant Solutions, Inc supports animal welfare and will not be involved in the production, promotion or sale of goods and services that endanger the well-being of animals. Furthermore, Plant Solutions, Inc commits to purchasing products from suppliers who follow animal welfare practices.

Plant Solutions, Inc is not and will not become involved in any form of animal testing or experimentation. It does not conduct business with factory farms, enterprises that use gestation crating or other similar types of overly restrictive confines, slaughterhouses, or organizations that utilize or sell animal products.
