

## **Local Control Policy**

Effective January 1, 2017

Bassetti Architects seeks to have a direct relationship to the communities that we serve and we embrace the accountability that comes when senior leadership and stakeholders reside in the places they impact. Our goal is to have Bassetti Architects senior decision makers live within the communities where we are located. We want our leaders to be personally connected to and vested in the community and the environment within which we operate.

Bassetti Architects has senior executive level employees living in the communities of each of our offices in Portland, OR and Seattle, WA.

Bassetti Architects is a contributor to the Business Alliance for Local Living Economies (BALLE).
