

**LOCAL BENEFIT | LOCAL CONTROL**

*Local Control (1.03.03)*

As part of our commitment to sustainability, Hennebery Eddy Architects seeks a direct relationship with the communities we serve. We also embrace the accountability that comes when senior leadership reside in the places they impact. Because of this accountability, all senior leadership live within the Portland Metro area. We want our leaders to be personally connected to and vested in the community and the environment within which we operate.
