

FARR ASSOCIATES

LOCAL BENEFIT POLICY

Farr Associates is committed to the on-going success of the communities and ecologies in which we live and work. As a vested community member, we demonstrate this commitment in two fundamental ways:

- All owners and senior leadership personnel live within 25 miles of our practice, located in downtown Chicago, IL.
- We support local businesses by purchasing a minimum of 20% of our annual goods and services, as determined by total dollars spent, from independent, locally-owned businesses that are not part of a national or international chain.
