

## **Hazardous Chemicals Policy**

Effective January 1, 2017

At Bassetti Architects, safety is the utmost importance. To safeguard employee health and safety, employees will never be put into the position of handling or exposure hazardous chemicals in their day to day work. If employees are ever on a job site and feel their safety is threatened, Bassetti Architects supports employees decision to leave immediately. If we encounter hazardous materials or chemicals in the course of our work at other locations, we will take immediate corrective action to eliminate health and safety risks to our employees. Bassetti Architects will comply with all aspects of state and OSHA requirements to prevent injuries or health and safety risks to our employees.
