

*Beginning after three months of employment, to coincide with a three month review, employees are able to receive full individual health, dental and vision coverage. evolveEA will pay 100% of the premium. Family or spousal coverage is available with any costs above the individual premium rate to be paid by the employee.*

*After two years of employment, evolveEA will be allowed to set up a retirement account and match up to 3% set-aside from pay, the maximum allowable, into a tax-deferred retirement account. Aside from evolveEA's match, an employee is able to contribute to this tax-deferred fund at his or her discretion, up to the federal limit, which changes yearly.*
